

# A PLACE TO CALL HOME

A 3 YEAR JOURNEY OF SACRIFICIAL GIVING

wellspringchurch.tv

## A NOTE FROM PASTOR TREY

God is so good! He is blessing Wellspring Church in unbelievable ways. Every Sunday we are experiencing life-change with marriages being restored, family trees being transformed and relationships being healed. God is using Wellspring to make an impact on the Grand Strand and beyond as we see those that were far from God becoming passionate followers of Jesus Christ.

This year we baptized our 200th person! We've reached out to the Grand Strand in profound ways through our LoveMB initiatives. Many people are beginning to "taste and see" that God is good.

Our greatest journey is ahead of us! We firmly believe that as God has grown Wellspring, He also provides a way to accommodate that growth. We are rapidly outgrowing our rented space at the Myrtle Beach YMCA. We believe God is calling us to find a place to call home and we believe He's provided that home on one of the most centrally located, most traveled roads in the area. The old Golf Dimensions building, located on 501, is a tremendous opportunity for us to have a place to impact our community in ways that we can only imagine. As a church our sacrifice, coupled with God's faithfulness and provision, will make this possible.

We invite you to join us in a 3 year movement of supernatural living and sacrificial giving. We were all designed to make an eternal impact. Now is our chance!

Read and pray through this brochure with the intent of asking God, "What do you want me to do to create **A PLACE TO CALL HOME?**" Together, we will see God accomplish something incredible.

I am honored to be your pastor,

Pastor Trey Kelly

## STORIES OF LIFE-CHANGE

### Andrew Phillips

I only went to church in college when I was home for the weekend so it wasn't really part of my life. I wasted a lot of time looking for fulfillment in the wrong things and eventually got to the point where I knew I needed something else and needed to change in a big way.

I attended Wellspring for the first time and immediately felt right at home. I had never been to a church like Wellspring before and was amazed at how much excitement and motivation I felt after that first service. Before Wellspring I never understood how much God loves me and how following Jesus will give me the absolute best life possible.

### Lauren and Matt Morris

Three years ago, our family woke up on a Sunday morning. We had a 6 month old and a 7 year old. It was a typical Sunday morning for us...the usual madness that ensues in the morning when you have small kids and two parents, working full time at demanding jobs. Everyone is groggy and wants to chill and relax before another crazy week starts.

"Do you want to go to church?"

Simple words, really...to many people! Not to us. "Church" was such a foreign, abstract concept. Religion? Forget it. But that morning - "do you want to go to church?" Was answered with..."yes!"

Who knew that after that, our lives would be totally changed?

There is such a part of us that almost can't recall what it was like to not have the love of Jesus in our hearts. We are clinging to that memory so we can really remember what it was like before. We want to live and savor every possible second of our testimony.

Our faith is evermore strengthened. And faithfully, we walk in that space of His light and His truth. On more than one occasion we think "It's a

### Shannon and Jay Poucher

We grew up in homes where we really weren't encouraged to have any religious views... I was waiting tables a few years ago and two Wellspringers sat at my table and invited me to church. I decided to give it a try and we began attending... At the end of the Gospel series we both accepted Christ as our Savior. It was the turning point in our lives. After that we chose somewhere and jumped in and began serving. We chose something we liked to do and decided to go for it. We have not stopped serving since and we absolutely enjoy our Sundays!

## OUR URGENCY: WHY MOVE?

### THE YMCA ISN'T OUR HOME

Currently we are meeting in someone else's space that is designed for a very different purpose. While we've loved our time at the YMCA, there are some severe limitations placed on our church by being there.

### LIMITED SPACE FOR GROWTH

We are rapidly outgrowing the spaces we occupy at the YMCA. For example, every Sunday in Wellspring Kids, we are at capacity or nearing capacity in each of our kids' areas. We are currently curtaining off hallway space and a closet to accommodate our kid numbers. There simply isn't any more room for our kids.

### LIMITED ABILITY TO ADD SERVICES

The YMCA opens its doors to its patrons and guests every Sunday at 1pm. We are currently holding two services at 9:30 and 11. Adding an additional service that we think people would actually attend isn't possible. This limits our ability to reach more people.

### LIMITED CREATIVITY

Everything we currently do is a product of setup on Saturday and teardown on Sunday. We are limited in what we can create and accomplish in each area.

### LIMITED VISIBILITY

While the YMCA is a great facility, it's not very visible. People aren't going to ride by, see it and think, "I should check out Wellspring." If you're not looking for us, you're probably not going to find us. This limits our ability to reach a vast majority of people.

## OPPORTUNITY: WHY THIS LOCATION?

### OPPORTUNITY FOR GROWTH

- We have the opportunity to lease 40 thousand square feet of retail space to be A Place To Call Home.
- This building will be roughly 4 times larger than the space we are using at the YMCA.
- We will have room to grow 4 times larger than we currently are. This means 4 times more opportunity for life-change to occur!

### OPPORTUNITY TO ADD GATHERINGS

- When we have A Place To Call Home, we can have gatherings when we want and at convenient times for the families and people on the Grand Strand.
- We can add more gatherings on Sunday and possibly evening gatherings in the future.

### OPPORTUNITY FOR CREATIVITY

- We will have the ability to create a fun and welcoming atmosphere in our lobby, for our First-Time Guests.
- We will have the ability to design creative, engaging kids spaces.
- Our students will have a place to invite their friends for special events and gatherings.
- Our ability to inspire and connect people with God through our worship experience will be greatly enhanced.
- Having A Place To Call Home helps us engage people in a creative, inspiring way as we point them to Jesus.

### OPPORTUNITY TO ENHANCE VISIBILITY

- This new location allows us to have 7 day a week visibility on the busiest highway in Myrtle Beach.
- Every day over 40 thousand cars drive by this building.
- We will have access to a double sided billboard that we will have full use of to invite more people to Wellspring.
- Our Place To Call Home is centrally located in reach of 150 thousand people who we can invite to come and have their lives changed by Jesus.

## HOW DO WE CAPTURE THIS OPPORTUNITY?

We can capture this incredible opportunity by everyone participating in a 3 year supernatural journey of sacrificial living and giving. If everyone asks God, "What do you want me to do?", and gives what He asks, we are confident that we will be able to create **A Place to Call Home** together.

### What does a 3 year sacrificial journey of living and giving look like?

- Over 3 years, each individual/family makes a commitment to give above and beyond what they would faithfully give.
- Each individual/family can sacrificially give weekly, monthly, yearly or all at once. The more resources we have at the beginning of the journey, the better position we will be in to create **A Place to Call Home**.
- Each individual/family brings their first and best gift towards their 3 year sacrificial commitment on December 14th.

## WHAT IS THE FINANCIAL GOAL?

We are believing that God will lead our church to raise **ONE MILLION** dollars over 3 years. This goal will cover the following:

- The renovation of our new home.
- Additional rent while we occupy the building.
- Our LoveMB Initiative for 2015.

## WHAT IS THE TIMELINE FOR THIS PROJECT?

Our hope is to begin renovations in early 2015. Our goal will be to move into our Place To Call Home by either late spring or early summer 2015.

## PRAY

This is a 3 year supernatural journey of sacrificial living and giving. Simply ask God what He wants you to do. Then, ask God what he wants to do through you! Allow this to be a supernatural sacrifice born out of your time with God. Be confident that He will provide for you.

Prepare your heart for this supernatural journey of sacrificial living and giving. Any journey this big will challenge you. You are taking a bold leap of faith in your life and God will give you the strength you need to fulfill your commitment.

## HOW IS THIS DIFFERENT THAN MY TITHE?

Wellspring Church's vision is *that those far from God will become passionate followers of Jesus Christ*, so please continue to bring your tithe in addition to the gifts God leads you to give to create **A Place to Call Home**. When there is an exciting opportunity like this, God asks us to go above and beyond the tithe, which is the minimum worship requirement. In the Bible, there were times when God's people came together to give above and beyond their faithful giving to the local church. This is a great example of sacrificial giving.
